DEMANDS FOR GRANTS—(VOTE ON ACCOUNT)

Sri RAMAKRISHNA HEGDE.—I move that the respective sums not exceeding...

Sri S. BHARAN GOWDA.—I rise to a point of order under rule 170. The rule reads thus:

“(1) A motion for vote on account shall state the total sum required, and the various amounts needed for each Department or item of expenditure which compose that sum shall be stated in a schedule appended to the motion.

(2) Amendments may be moved for the reduction of the whole grant or for the reduction or omission of the items whereof the grant is composed.

(3) Discussion of a general character shall be allowed on the motion or any amendments moved thereto, but the details of the grant shall not be discussed further than is necessary to develop the general points.”

My point of order is that discussion may be allowed under sub rule (3) of this rule because without a discussion it is not possible to support the motion. I want to know from the Chair whether general discussion is going to be allowed on that or not.

Mr. CHAIRMAN.—If members insist on having a discussion, I cannot debar them from having a discussion, but I am told that in the Business Advisory Committee it was agreed that after the motion is moved it will be allowed to be put to vote in view of the fact that detailed estimates are coming and they are to be discussed later on. This is only a sort of interim arrangement pending final discussion of the detailed estimates. If they insist upon discussion, I cannot preclude them from discussion. But I must bring to the notice of hon'ble members that in Lok Sabha also the practice generally followed is that at the time of the vote on account no discussion is allowed even though the Rules of Procedure permit such discussion. So if members insist upon discussion, I cannot prohibit it. But I must say that this is only an interim arrangement and detailed demands are coming and then they can reduce or enlarge or do anything they want. Since, however, the present motion is only a vote on account, as per the understanding that has been already arrived at in the Business Advisory Committee this is

(MR. CHAIRMAN)

to be formally moved and put to vote. I hope the hon'ble members will see the reasonableness of this and not press for discussion.

Sri S. R. KANTHI.—May I say that the time allotted for demands was 16 days, but that has now been raised to 18 days because we are not to discuss the vote on account. So hon'ble members will have enough opportunity to discuss the demands.

Sri SHARANAGAUDA INAMDAR.—Because so many things have been stated by the Finance Minister.

Mr. CHAIRMAN.—The members can take note of all those things and brand the Government with all the comments and criticisms with facts; nobody prevents it. The hon'ble Member will please realise that the scope of discussion on such motion is very limited. He can move amendments for reduction of the grant; there are constitutional provisions; I know that but the hon' Member will reserve all the materials he has and use them against Government when the Demands come. There was an agreement in the Business Advisory Committee not to have any discussion on the Vote-on-account. Please keep up to that position and let us go on.

Sri SHARANAGAUDA INAMDAR.—There may be understanding and agreement in the Business Advisory Committee; we do not know that. On principle and as a matter of right, I wish to seek clarification because so many things have been said by the Finance Minister.

Mr. CHAIRMAN.—That can be done during the discussion on Demands. I am not shutting out any member from discussion.

Sri S. R. KANTHI.—Even in the morning, we have agreed to the Report of the Business Advisory Committee and it contains this agreement to vote without discussion.

Mr. CHAIRMAN.—Let the hon'ble Finance Minister move the motion.

Sri M. S. KRISHNAN.—There is difference between discussion on the Demand and general discussion on Vote on account. You will see if it is 'Vote on account', we can discuss on the points that might have been raised and some other new points. If it is a discussion on Demand, only the matters coming under that particular demand will be considered. So, there is force in what Mr. Sharanagauda is saying.

Mr. CHAIRMAN.—I do not want any persuasion on that. The hon'ble Minister to move the motion.

Sri RAMAKRISHNA HEGDE.—I move:

"That the respective sums not exceeding the amounts shown in the list of Demands moved be granted to Government to defray the charges which will come in the course of payment

during the period from 1st April 1968 to end of 30th June 1968 in respect of Demands Nos. 1 to 18, 20 to 27, 29, 30, 30(A), 31 to 41, 41(A), 42 to 48 and 50 to 54."

Mr. CHAIRMAN.—Motion moved :

"That the respective sums not exceeding the amounts shown in the list of Demands moved be granted to Government to defray the charges which will come in the course of payment during the period from 1st April 1968 to end of 30th June 1968 in respect of Demands Nos. 1 to 18, 20 to 27, 29, 30, 30(A), 31 to 41, 41(A), 42 to 48 and 50 to 54."

Sri SHARANAGAUDA INAMDAR.—I want a discussion.

Sri S. R. KANTHI.—I want to bring to the notice of the hon'ble Member that he belongs to the Swatantra Party. As the Leader of the Party in the House, Sri Jwalaniah is one of the members of the Business Advisory Committee and he has agreed to this decision which has been taken by the Business Advisory Committee.

Mr. CHAIRMAN.—In view of the fact that the matter at issue has been sufficiently discussed I put the Motion to vote.

Sri SHARANAGAUDA INAMDAR.—I rise to a point of order. I want to know whether the Chair has given a ruling or not.

Sri S. R. KANTHI.—With a view to widening the scope of the debate on Demands for Grants, the time allotted had been increased from 16 to 18 days. The idea was that this should be voted without discussion.

Mr. CHAIRMAN.—I am giving the ruling. He will please resume his seat. The ruling is that in view of the fact that discussions have been held, prolonged clarifications asked and replies given, and further replies also promised in the course of the debate on the Demands to come in view of the fact that the Business Advisory Committee has decided that there shall be no amendments or discussion on 'Vote on account', in view of the fact that this House has given consent to that Report and thereby agreed that there should be no debate and that 'Vote on account' should be voted without discussion, and in view of the fact that the House had also discussed the Budget Estimates in great detail for the past six days and the Members would have an opportunity to express themselves during the debate on Demands for Grants, the time allotted for which has also been increased by two days, I do not think the interests of the debate are likely to suffer in any manner by voting without discussion. I, therefore, overrule the point of order raised by the hon. Member Sri Sharangauda and put the motion to the vote of the House.

The question is :

"That the respective sums not exceeding the amounts shown in the list of Demands moved be granted to Government to

(MR. CHAIRMAN)

defray the charges which will come in the course of payment during period from 1st April 1968 to end of 30th June 1968. in respect of Demand Nos: 1 to 18, 20 to 27, 29, 30, 30A, 31 to 41, 41A, 42 to 48 and 50 to 54."

The motion was adopted.
